Second Language Learning and Teaching

# *AILA Applied Linguistics Series (AALS)*

ISSN 1875-1113

The AILA Applied Linguistics Series (AALS) provides a forum for established scholars in any area of Applied Linguistics. The series aims at representing the field in its diversity. It covers different topics in applied linguistics from a multidisciplinary approach and it aims at including different theoretical and methodological perspectives. As an official publication of AILA the series will include contributors from different geographical and linguistic backgrounds. The volumes in the series should be of high quality; they should break new ground and stimulate further research in Applied Linguistics.

For an overview of all books published in this series, please see *[benjamins.com/catalog/aals](http://benjamins.com/catalog/aals)*
