## Crowdsourcing and Online Collaborative Translations

# *Benjamins Translation Library (BTL)*

ISSN 0929-7316

The Benjamins Translation Library (BTL) aims to stimulate research and training in Translation & Interpreting Studies – taken very broadly to encompass the many different forms and manifestations of translational phenomena, among them cultural translation, localization, adaptation, literary translation, specialized translation, audiovisual translation, audio-description, transcreation, transediting, conference interpreting, and interpreting in community settings in the spoken and signed modalities.

For an overview of all books published in this series, please see
