Acknowledgments

This volume is based on my doctoral dissertation *La traducción al inglés en el siglo XVII: las comedias del Siglo de Oro español* (2006, University of Oviedo), which won the EST Young Scholar Award in 2007. Therefore, it is only fitting that my first words of gratitude should be for Dr. Marta Mateo Martínez-Bartolomé, for it is her profound knowledge of dramatic translation, her intensive corrections and invaluable advice, accompanied by her unfailing encouragement, that have made it possible for this book to finally see the light of day.

I should also like to express my thanks to all those who, by their support and confidence, have not ceased to urge me on, with a special mention for Emilio. I am also indebted to the inestimable collaboration of Garth Stobbs. Finally, I want to dedicate this book to my family: my parents, brother, sisters and nephews (Carlos & Pablo), who have simply made my existence so much happier.
