Acknowledgements

Many people have contributed directly or indirectly to this book. Some I would like to thank by name, beginning with Philippe Rothstein (University of Montpellier), who has provided untiring moral and linguistic support. Many academics and translators have been consulted, first and foremost Delphine Chartier (University of Toulouse) and Mathilde Fontanet (ETI, University of Geneva). My thanks also go to two other colleagues at ETI: Alia Rahal and Ashley Riggs. Finally, I would like to thank the two anonymous reviewers, whose careful and perceptive remarks helped me to improve the final version of this book.
