Surprise at the Intersection of Phenomenology and Linguistics

Consciousness & Emotion Book Series

ISSN 2352-099X

Consciousness & Emotion Book Series publishes original works on this topic, in philosophy, psychology and the neurosciences. The series emphasizes thoughtful analysis of the implications of both empirical and experiential (e.g., clinical psychological) approaches to emotion. It will include topical works by scientists who are interested in the implications of their empirical findings for an understanding of emotion and consciousness and their interrelations.
