## ACKNOWLEDGMENTS

The Colloquium and the publication of its Proceedings have been sponsored by the Italian Consiglio Nazionale delle Ricerche. The University of Pavia, too, offered a grant and its well known hospitality in the Colleges of the Opera Universitaria. Thanks are also due to the Rector of the University, Prof. Alberto Gigli Berzolari, who offered a cocktail to the participants.

Prof. Helmut Rix, Past-President of the 'Indogermanische Gesellschaft', which for the first time held a Colloquium outside of the German speaking area, and Prof. Jürgen Untermann, the current President of the society, have greatly helped the Organizing Committee with their advice. Special thanks go to my colleagues of the Istituto di Glottologia of the Pavia University Onofrio Carruba, Anna Giacalone Ramat, and Giorgio Graffi as members of the Organizing Committee and then coeditors of this volume: without their help the whole enterprise would have been impossible. Finally, I wish to thank Mr. Gilberto Gilberti, secretary of the Istituto di Glottologia, whose vast experience has solved many practical problems of the organisation and editorial work.
