## **Acknowledgments**

The editors of this volume wish to thank the Organizing Committee, Diana Cresti, Teresa Satterfield, and Christina Tortora for generously inviting Steven Dworkin to organize within the framework of LSRL 29 a parasession on diachronic Romance linguistics. We thank the following organizations at the University of Michigan for their support of LSRL 29: The Department of Romance Languages and Literatures, the Program in Linguistics, the Institute for the Humanities, the Center for European Studies, The Latin American and Caribbean Studies Program, The Office of the Vice President for Research, the Office of the Associate Provost for Academic Affairs, the Rackham Graduate School, and the College of Literature, Science and the Arts. We are grateful to those anonymous reviewers who evaluated abstracts for presentation at the parasession and who aided us in evaluating the papers submitted for publication in this volume. Finally we thank Jennifer Murtoff for her help in editing and carefully formatting the manuscripts for camera-ready copy.
