## **ACKNOWLEDGMENTS**

The Sixteenth Annual Symposium on Arabic Linguistics took place in March 2002, in Cambridge University, UK. A total of 24 papers were presented at the symposium; of these, eight are published in this volume. The papers selected for publication were peer-reviewed by the following panel: Thami Benkirane, Stuart Davis, Joseph Dichy, Salem Ghazali, Niloofar Haeri, Ghada Khattab, Zouhair Maalej, Jonathan Owens, and Robert Ratcliffe. I wish to thank them all for the very helpful and penetrating comments they made on the manuscripts. I am also indebted to Dilworth Parkinson for coordinating the organization of the symposium with me, and to Tessa Hauglid for her precious help with the copy-editing of this volume.
