## ACKNOWLEDGEMENTS

Firstly my thanks are due to all those members of the Local Committee, and especially Professors Jack Carnochan, B.W. Andrzejewski and the late Professor T.M. Johnstone, who did so much to make the conference a success; secondly to the late Professor A.N. Tucker who gave the Opening Address; thirdly to the School of Oriental and African Studies which provided the congenial setting in which the meeting took place as well as welcoming the participants with a buffet supper on the first evening; and finally I owe a special debt of gratitude to Jean Waring who has worked so indefatigably and with such single-minded commitment to produce the typescript of these proceedings.
