## Controversies in the Contemporary World

# *Controversies (CVS)*

## *Ethics and Interdisciplinarity*

ISSN 1574-1583

*Controversies* includes studies in the theory of controversy or any of its salient aspects, studies of the history of controversy forms and their evolution, case-studies of particular historical or current controversies in any field or period, edited collections of documents of a given controversy or a family of related controversies, and other controversy-focused books. The series also acts as a forum for 'agenda-setting' debates, where prominent discussants of current controversial issues take part. Since controversy involves necessarily dialogue, manuscripts focusing exclusively on one position will not be considered.

For an overview of all books published in this series, please see
