Politics, Ethnicity and the Postcolonial Nation

Discourse Approaches to Politics, Society and Culture (DAPSAC)

ISSN 1569-9463

The editors invite contributions that investigate political, social and cultural processes from a linguistic/discourse-analytic point of view. The aim is to publish monographs and edited volumes which combine language-based approaches with disciplines concerned essentially with human interaction – disciplines such as political science, international relations, social psychology, social anthropology, sociology, economics, and gender studies.
