Language in South Africa

Impact: Studies in language and society

IMPACT publishes monographs, collective volumes, and text books on topics in sociolinguistics and language pedagogy. The scope of the series is broad, with special emphasis on areas such as language planning and language policies; language conflict and language death; language standards and language change; dialectology; diglossia; discourse studies; language and social identity (gender, ethnicity, class, ideology); and history and methods of sociolinguistics.
