Acknowledgments

The papers in this volume were first presented at a workshop on *Transitivity* at the University of Cologne in November 2008. Individual people and institutions helped bring about the event and book in important ways.

Beatrice Primus and Daniel Jacob provided constant support at all levels, from the inception to the conceptualization and concretion. The Centre for Language Diversity and Multilingualism (ZSM) at the University of Cologne was a backbone in the organization of the workshop, and many helpers brought in their minds and arms and feet to make it succeed. For their assistance, concrete or ideal, we would like to thank in particular Karin Barber, Christiane M. Bongartz, Susanne Couturier, Martin Evertz, Riccarda Fasanella, Nele Franz, Thomas Grandrath, Linda Kronenberg, Helge Kuhnert, Jürgen Lenerz, Claudia Riehl, Astrid Rothe, Timo Röttger, Imke Scheib, Frank Slotta, and Nico Spindler. Special thanks go to the Fritz Thyssen Foundation for financial support that enabled getting everybody to Cologne and accommodating them.

From the abstracts offered to the workshop, less than half could be selected for oral or poster presentation. Unfortunately, the talks by Leila Behrens, by Daniel Jacob and by John Peterson, as well as the talks by Eva Kardos and Gergely Pethö and by Roland Pfau and Markus Steinbach could not be written up and included as papers here. Those that were have benefitted from the critique and advice of our team of reviewers: Sebastian Bank, Olga Borik, Leston Buell, Berit Gehrke, Kleanthes Grohmann, Ingo Feldhausen, Klaus von Heusinger, Joost Kremers, Silvia Kutscher, Helen Leuninger, Marijana Marelj, John Peterson, Wolfgang Raible, György Rákosi, Mara van Schaik-Radulescu, Rachel Szekely, and Dirk Vetter.

Martine van Marsbergen and Kees Vaes at Benjamins were excellently patient and helpful in the production of the book. Thanks, finally, to Werner Abraham as author, advisor, and institution at the all-connecting interface.
