## Cyclical Change Continued

# *Linguistik Aktuell/Linguistics Today (LA)*

ISSN 0166-0829

*Linguistik Aktuell/Linguistics Today (LA)* provides a platform for original monograph studies into synchronic and diachronic linguistics. Studies in LA confront empirical and theoretical problems as these are currently discussed in syntax, semantics, morphology, phonology, and systematic pragmatics with the aim to establish robust empirical generalizations within a universalistic perspective.
