Sensitive periods, language aptitude, and ultimate L2 attainment

Language Learning & Language Teaching (LL<)

The LL< monograph series publishes monographs, edited volumes and text books on applied and methodological issues in the field of language pedagogy. The focus of the series is on subjects such as classroom discourse and interaction; language diversity in educational settings; bilingual education; language testing and language assessment; teaching methods and teaching performance; learning trajectories in second language acquisition; and written language learning in educational settings.

For an overview of all books published in this series, please see <http://benjamins.com/catalog/lllt>
