For Robert

Acknowledgments

Many people have helped and supported me in the writing of this book. The University of British Columbia (UBC) provided leave time and travel stipends that have allowed me to finish this book. Joseph Jones of the UBC library gave me access to electronic corpora and the research assistance of Ray Siemens, Andree Cote Moxon, and David Thomson through his UBC Teaching and Learning Grant. My colleagues in the English Department at UBC also deserve thanks, particularly Laurel Brinton, Anthony B. Dawson, John Wilson Foster, Sherrill Grace, Kristin Hanson, Nicholas Hudson, William H. New, Elise Partridge, Stephen Partridge, Mava Jo Powell, Herbert J. Rosengarten, and Gernot Wieland. Members of the historical linguistics and medievalist communities have been especially generous with insights; among them I wish to mention Karin Aijmer, Minoji Akimoto, M.M.H. Bax, Marcella Bertucelli Papi, Jonathan Culpeper, Susan M. Fitzmaurice, Gerd Fritz, Franz Hundsnurscher, Andreas H. Jucker, Rudi Keller, Henry Ansgar Kelly, Peter Koch, Merja Kytö, Brigitte Schlieben-Lange, Dieter Stein, Irma Taavitsainen, Elizabeth Closs Traugott, and Richard J. Watts. My husband, Robert R. Weyeneth, and our families have been a bedrock.

Contents

List of Figures	xi
<i>Chapter 1</i>	
English Illocutionary History: A Methodological Introduction	1
<i>Chapter 2</i>	
Flyting and Sounding the Agonistic Insult	15
<i>Chapter 3</i>	
Rationalist Prescriptions for <i>Shall</i> and <i>Will</i>	41
