## Acknowledgements

The papers in this volume were presented by participants at the *Twenty Seventh Annual Symposium on Arabic Linguistics* held at Indiana University in Bloomington, Indiana, on Feb 28–March 2, 2013. The papers presented at the Symposium were selected based on an anonymous peer-review of the abstracts submitted for the Symposium. The papers submitted to this volume were also anonymously refereed, and only a subset of them were accepted for publication. We are thankful to the authors for their submissions as well as their cooperation and patience during the multiple stages of producing the volume. We are grateful to all the reviewers for their valuable assistance and to the Arabic Linguistics Society board for facilitating the process. For their valuable editorial assistance with this volume, we would like to thank Elabbas Benmamoun, Mushira Eid, Valentyna Filimonova, Farzad Karimzad Sharifi, and Youssef Haddad. We are especially thankful to both the Center for the Study of the Middle East and the Department of Linguistics at Indiana University for the financial undertaking that helped make the *Twenty Seventh Annual Symposium on Arabic Linguistics* a success.
