# Acknowledgements

First of all, we would like to thank John Benjamins' commissioning editor, Kees Vaes, who was not only happy to sell us books during various conferences but also happy to take our proposal into consideration. We are grateful to have had our idea welcomed by Elena Tognini Bonelli as our series editor and our warmest thanks go to Ute Römer for seeing the project through so efficiently.

The editors are extremely grateful for the time afforded, help, advice, and assistance offered by the following colleagues:

Michael Barlow, Tony Berber Sardinha, Winnie Cheng, Alice Deignan, Jesse Egbert, Susan Hunston, Sylvia Jaworska, Ramesh Krishnamurthy, Mike McCarthy, Terttu Nevalainen, Pascual Pérez-Paredes, Gordon Tucker, and Marcia Veirano Pinto, as well as, in particular, Michael Hoey and Mike Scott.

Our greatest thanks go to those whose spirited belief in us got us here – our mothers.

We like to dedicate this volume to Oscar and Emily.
