List of figures

Figure 3.1 The active-passive correspondence (cf. Quirk et al. 1985: 160) **45**
Figure 3.2 The active-passive correspondence with ditransitive verbs (NP_1 + NP_2) **52**
Figure 3.3 The active-passive correspondence with ditransitive verbs (NP + PP) **53**
Figure 3.4 The active-passive correspondence with ditransitive verbs (NP_1 ⇨ PP) **53**
Figure 3.5 The active-passive correspondence with complex-transitive verbs **54**
Figure 3.6 Passive gradient model (based on Svartvik 1966: 132–138) **63**
Figure 3.7 Interlocking circles model (cf. Granger 1983: 107) **64**
Figure 3.8 Passive ratios in academic writing, per cent (based on Granger 2013: 7) **67**
Figure 3.9 The passive and genre, occurrences per 1,000 words (based on Svartvik 1966: 155) **71**
Figure 3.10 *Be Ved* in L1 and L2 writing, occurrences per 1,000 words (based on Granger 2013: 9) **84**
Figure 4.1 Dimensions of CIA in the framework of the present study **92**
Figure 4.2 L2 database compiled in the framework of the present study **92**
Figure 4.3 Methods adopted in processing the SCooLE **100**
Figure 4.4 Subcorpora of the SCooLE by educational setting **103**
Figure 4.5 TreeTagger output (tabular format) **117**
Figure 4.6 CLAWS output (lemmatised and POS-tagged vertical format) **118**
Figure 4.7 TreeTagger and CLAWS output merged into one file **118**
Figure 4.8 Possible queries for *be Ved* without intervening element **120**
Figure 4.9 The Teaching Materials Corpus (TeaMC) **122**
Figure 4.10 Methods adopted in processing the TeaMC **129**
Figure 4.11 Methods adopted in processing LOCNESS **131**
Figure 4.12 Dimensions of CIA involving the corpora used in the present study **136**
Figure 4.13 L2 database compiled for the purpose of the present study **137**
Figure 5.1 Initial query to determine surface forms to be included in the main query **141**
Figure 5.2 Excerpt from the main query using surface forms of *be/get Ved* **143**

Figure 5.3 Formula used to calculate passive ratio **175**
Figure 6.1 Relative frequencies of *be Ved* (TeaMC EFL Year 7–10) **193**
Figure 6.2 Relative frequencies of *get Ved* (TeaMC EFL Year 7–10) **194**
Figure 6.3 Subdivision of TeaMC EFL Year 11/12 according to genre **201**
Figure 6.4 Frequency of *be Ved* according to genre (TeaMC EFL Year 11/12) **204**
Figure 6.5 Frequency of *get Ved* according to genre (TeaMC EFL Year 11/12) **204**
Figure 6.6 Proportions of attitudinal/emotive, statal and other in non-central passives (per cent) **209**
Figure 6.7 Frequency of *be Ved* in CLIL materials **214**
Figure 6.8 Frequency of *get Ved* in CLIL materials **215**
Figure 6.9 Frequency of *be Ved* in the TeaMC (EFL and CLIL) **224**
Figure 7.1 Between-group differences – Intelligence (clustered scales) **236**
Figure 8.1 Frequency of *be Ved* across educational settings (SCooLE) **247**
Figure 8.2 Frequency of *be Ved* in the SCooLE (essay 1) and in the TeaMC **249**
Figure 8.3 Frequency of *be Ved* in the SCooLE (essay 1) and in LOCNESS **250**
Figure 8.4 Relative frequency of *be Ved* in essay 1 and 2 (SCooLE) **252**
Figure 8.5 Explanation of variability in the frequency of *be Ved* in the SCooLE (essay 1) **269**
Figure 8.6 Most frequent modal auxiliaries in passive verb phrases (SCooLE, LOCNESS) **273**
Figure 8.7 Verbs with two complements in passive constructions (SCooLE, LOCNESS) **279**
Figure 8.8 Complex-transitive verbs in passive constructions (SCooLE, LOCNESS) **281**
Figure 8.9 Types of errors related to the participle (SCooLE) **295**
Figure 9.1 Correct responses to individual prompts (per cent) **306**
Figure 9.2 Mean number of correct responses **307**
Figure 9.3 Explanation of variability in the number of correct answers in the experimental task **328**
Figure 9.4 Strategies of replacing perfective aspect in the present tense **334**
Figure 9.5 Strategies of replacing progressive aspect in the present tense **334**
Figure 9.6 Types of complex-transitive complementation produced in response to prompt 11 **342**
Figure 9.7 Strategies of producing passives with prepositional verbs (experimental task) **344**
Figure 9.8 Strategies of producing passives in erroneous responses to prompt 12 **347**
