## Acknowledgments

The papers included in this volume were presented at the Obermann Center Summer Seminar *Third Language Acquisition: Developing a Research Base* held at the University of Iowa in conjunction with MIT in the summer of 2010. The workshop was mainly funded by an extremely generous grant awarded by the Obermann Center for Advanced Studies, and supplemental monies for the workshop were also provided by MIT. We are extremely grateful for all the support from the Obermann Center, but especially to the then director Jay Semel and the current director of operations Neda Hatami. Without their generous support (financial, logistical and more) this workshop would have been impossible. We are also very grateful for the help of the many graduate students, colleagues and friends who helped to make the workshop run so smoothly. We are indebted to Felipe Amaro, who organized the vast majority of the event logistics and so much more.

Finally, we would like to acknowledge and thank all of the participants for sharing their insightful research and the many colleagues who served as peer reviewers for the papers included in this volume. In alphabetical order, these colleagues were: Irma Alarcón, Larissa Aronin, Mariana Bono, José Luis Blas Arroyo, Walcir Cardoso, Peter Ecke, Claire Foley, Rebecca Foote, Britta Hufeisen, Michael Iverson, Carol Jaensch, Scott Jarvis, Jaehyun Jo, Usha Lakshmanan, Diane Larsen-Freeman, Gillian Lord, Cristóbal Lozano, Gita Martohardjono, Nicole Marx, Grit Mehlhorn, Terrence Odlin, Roumyana Slabakova, Rex Sprouse, Whitney Tabor, Marie-Claude Tremblay, Ineke van de Craats and Mary Zampini.
