# Table of contents

|  |           |
|--|-----------|
| <b>Foreword</b>  | <b>IX</b> |
| <b>CHAPTER 1</b>   |           |
| <b>A map of the area</b>   | <b>1</b>  |
| 1.1 Philosophy, linguistic philosophy, and the language sciences | 1         |
| 1.2 The sources of linguistic knowledge                          | 6         |
| 1.3 The philosophical study of language and its partitions       | 9         |
| Suggestions for further reading                                  | 14        |
| <b>CHAPTER 2</b>   |           |
| <b>Language, thought, and reality</b>                            | <b>15</b> |
| 2.1 Naming and knowing   | 15        |
| 2.2 Categories of grammar, categories of thought                 | 18        |
| 2.3 The foundations of Aristotle's semantics                     | 21        |
| 2.4 From voice to speech   | 24        |
| 2.5 Scepticism, communication, and silence                       | 30        |
| 2.6 Signs and signs of signs                                     | 35        |
| Suggestions for further reading                                  | 38        |
| <b>CHAPTER 3</b>   |           |
| <b>A natural history of speech</b>                               | <b>39</b> |
| 3.1 Problems in naturalism                                       | 39        |
| 3.2 Etymological semantics                                       | 43        |
| 3.3 Communication: Animal and human                              | 46        |
| 3.4 Communication: Human and divine                              | 51        |
| Suggestions for further reading                                  | 55        |

|  |            |
|--|------------|
| CHAPTER 4  |            |
| <b>Philosophy of language from Boethius to Locke</b>                     | <b>57</b>  |
| 4.1 The semantics of the unsayable                                       | 57         |
| 4.2 The semantics of names   | 61         |
| 4.3 The semantics of universals  | 64         |
| 4.4 The semantics of grammatical functions                               | 69         |
| 4.5 From Ockham to Locke   | 77         |
| Suggestions for further reading  | 82         |
| CHAPTER 5  |            |
| <b>Language and philosophy from the Renaissance to the Enlightenment</b> | <b>83</b>  |
| 5.1 The diversity of languages   | 83         |
| 5.2 Philosophies of history, philosophies of language                    | 94         |
| 5.3 The mutations of the trivium   | 98         |
| 5.4 Mind, language, languages  | 107        |
| 5.5 The semantics of usage   | 113        |
| 5.6 Languages as analytical methods                                      | 117        |
| 5.7 Talking animals: Origin and history                                  | 122        |
| Suggestions for further reading  | 128        |
| CHAPTER 6  |            |
| <b>Languages, peoples, and nations</b>                                   | <b>129</b> |
| 6.1 Language and communal thinking                                       | 129        |
| 6.2 Philosophies of comparativism  | 134        |
| 6.3 The science of language: Nature and history                          | 142        |
| Suggestions for further reading  | 146        |
| CHAPTER 7  |            |
| <b>Language and philosophy at the turn of the 19th century</b>           | <b>149</b> |
| 7.1 Philosophical idealism and language theories                         | 149        |
| 7.2 A critique of impure reason: Psychologism and the language sciences  | 154        |
| 7.3 The decline of psychologism  | 160        |
| 7.4 Critique of language and philosophical epistemology                  | 169        |
| 7.5 Communication and its forms  | 178        |
| 7.6 Language as behavior   | 183        |
| Suggestions for further reading  | 188        |

## CHAPTER 8

|  |            |
|--|------------|
| <b>Conclusion: A glance at on-going work</b> | <b>189</b> |
| 8.1 Mind, body, language                     | 189        |
| 8.2 The bodily basis of meaning              | 195        |
| 8.3 Fossils, brains, and languages           | 199        |
| Suggestions for further reading              | 205        |
| <br>   |            |
| <b>Bibliography</b>                          | <b>207</b> |
| <br>   |            |
| <b>Author index</b>                          | <b>237</b> |
| <br>   |            |
| <b>Subject index</b>                         | <b>245</b> |
