Foreword

This book emerged from the annual workshop on Australian languages hosted by the University of Melbourne in 2004. Many of the papers in the volume were presented at the workshop, though some were later additions, and some papers that were presented are not published here. We would like to thank the Department of Linguistics and Applied Linguistics at the University of Melbourne, in particular Rachel Nordlinger, for organising the workshop. We would also like to thank the contributors to the volume, as well as Emmon Bach, Claire Bowern, Michael Cysouw, Nick Enfield, Nick Evans, Holger Diessel, Nikolaus Himmelmann, Mary Laughren, Patrick McConvell, Bill McGregor, Marianne Mithun, Jane Simpson, Lesley Stirling, and Jean-Christophe Verstraete for their comments and assistance at various times. We are also very grateful for efforts of the anonymous reviewers of the papers presented herein.
