CHAPTER 1
Introductory notes 1
1.1 Grammatical markers. Word classes 1
1.2 Syntax 1
1.3 Morphology of the verb 2
1.4 Morphology of the noun 2
1.5 Phonetics 3
1.6 Morphonology 3

CHAPTER 2
Bound and free complexes 5

CHAPTER 3
Free and bound word variants 7

CHAPTER 4
Morphological and syntactic complexes: Attributive and object complexes 9

CHAPTER 5
Extended morphological complexes 11

CHAPTER 6
Personal and reflexive pronouns 13

CHAPTER 7
Basic rules of alternation of plosives and fricatives 15

CHAPTER 8
Special types of alternations 19
8.1 Devoicing of class B_1 consonants into class A_1 after voiceless consonants 19

8.2 Devoicing of class B_1 consonants into class A_1 before voiceless consonants 19
8.3 Voicing of class A_1 consonants before vowels or sonorants 19
8.4 Vowel drop in three pronouns in direct object and attribute positions 20
8.5 Unclear cases 20

CHAPTER 9
The problem of incorporation 23

CHAPTER 10
The direct object + verb complex: Alternation of initial consonants in transitives 25
10.1 Two-member variants: Voiceless fricative → voiceless aspirated plosive 25
10.2 Three-member variants: Voiced fricative → voiceless unaspirated plosive or voiced plosive 25
10.3 Variants with the initial components *j*-/*i*-/*e*- (over 140 transitives) 25
10.3.1 Two-member variants: *j*-/*i*-/*e*- alternate with Ø or -*h*- 25
10.3.2 Two-member variants with consonant alternation 26
10.3.3 Three-member variants with consonant alternation 26
10.3.4 Four-member variants with consonant alternation 27
10.3.5 Individual variants 27
10.4 Transitives with the initial consonant *v*- 27
10.5 Exceptions 27
10.6 Verbs with the component *hur*- 28

CHAPTER 11
The attribute + noun complex: Alternation of initial consonants of nouns and verbs in attributive position 29
11.1 Pronouns and nouns used as attributes 29
11.2 Intransitive verbs of action used as attributes 30
11.3 Qualitative verbs used as attributes 30
11.4 Transitive verbs used as attributes 31
11.4.1 The head word of an attributive complex is a subject 31
11.4.2 The head word of an attributive complex is an object 32
11.4.2.1 A transitive verb changes its initial consonant 32
11.4.2.2 A transitive verb does not change its initial consonant 32
11.5 The head word corresponds to an oblique object or an adverbial 33

CHAPTER 12
The verbal finite predicate 35

CHAPTER 13
The nominal predicate 37

CHAPTER 14
Converbs 39
14.1 Converbs marked for subject agreement 40
14.1.1 The converb in *-r*, *-t* 40
14.1.2 The converb in *-ror*, *-tot* 41
14.1.3 The converb in *-ra*, *-ta* 41
14.2 Same-subject, different-subject and variable-subject converbs 42
14.3 Converbs marked for tense 43
14.4 Converbs expressing purely temporal (taxis) relations and converbs with other meanings 43
14.4.1 Converbs expressing purely temporal relations 43
14.4.2 Converbs expressing non-temporal relations 44
14.5 Syntactic relations of converbs 44

CHAPTER 15
Coordination of homogeneous predicates 47
15.1 The finite verb form as a homogeneous predicate 47
15.2 The converb in *-r*, *-t* (see 14.1.1) 47
15.3 The converb in *-ra*, *-ta* (see 14.1.3) 48

CHAPTER 16
The noun 49
16.1 Plural marking 49
16.2 Case inflection 50
16.2.1 The nominative 50
16.2.2 The agentive (dative/accusative) 51
16.2.2.1 The form in *-ʁan*. 52
16.2.3 The dative/additive 52
16.2.4 The instrumental 53
16.2.5 The locative 53
16.2.6 The locative/ablative 54
16.2.7 The destinative 54
16.2.8 The comparative 55
16.3 The vocative form 55
16.4 The group case marker 55
16.4.1 Note 56
16.5 Conjoining of homogeneous nouns 56
16.5.1 Conjoining of nouns each referring to a single entity (dual number of the comitative) 57
16.5.2 Conjoining of nouns each referring to two or more entities (plural number of the comitative) 57

16.5.3 Conjoining of more than two homogeneous nouns **58**
16.5.4 Conjoining of homogeneous nouns dependent on the negative verb form **58**
16.6 Postpositions **59**
16.6.1 Denominal (declinable) postpositions **59**
16.6.2 Deverbal (non-declinable) postpositions **61**
16.7 Cardinal numerals **62**
16.8 Means of nominalisation **64**
16.8.1 Predicate-actant nominalisation (suffix *-ḍ/-ṭ*) **65**
16.8.1.1 Predicate-actant nominalisation proper. Nouns of action **65**
16.8.1.2 Substitutional nominalisation **66**
16.8.1.3 Full substantivisation **69**
16.8.2 Subject nominalisation (suffix *-k*) **69**
16.8.3 Adverbial nominalisation (the form is identical with the verb stem) **71**
16.8.3.1 Case suffixes and/or postpositions **71**
16.8.3.2 The adverbial suffix *-skir* **72**
16.8.4 Locative nominalisation (suffix *-f/-v*) **72**
16.8.4.1 Locative constructions **73**
16.8.4.2 Non-locative constructions **75**

CHAPTER 17
Future tense markers in verbal forms **77**
17.1 Absolute use of future tense markers **77**
17.1.1 The finite predicate in *-ḍ/-ṭ* **77**
17.1.2 The finite predicate in *-rla*, *-tla* **78**
17.1.3 The converb in *-vu-r*, *-vu-t* **78**
17.1.4 Nouns of action **78**
17.1.5 The attributive form **78**
17.2 Relative use of future tense markers **79**
17.2.1 The finite verb form in *-ḍ/-ṭ* in sentences with conditional converbs **79**
17.2.2 A noun of action (or a verb stem) dependent on the main verb with a modal meaning **79**
17.2.3 A noun of action in the destinative case or in combination with the postpositions *-ənke* 'before' and *-uvudoχ* 'instead of' **80**
17.2.4 Converbs in *-r, -n* and in *-ror, -non* with future tense predicates **80**
17.2.5 Converbs in *-inə-r/-jnə-r/-ijnə-r, -inə-t/-jnə-t/-ijnə-t* with verbs of speech **81**

17.3 Unclear cases **82**
17.3.1 The form in *-nə-ḍ-for* denoting a wish or mild obligation **82**
17.3.2 The converb in *-nə-ʁar* denoting an unfinished action **82**

CHAPTER 18
The adverb **85**
18.1 Underived adverbs. Adverbs derived by unproductive means **85**
18.2 Adverbs derived by means of converbal suffixes **85**
18.2.1 Adverbs with the suffix *-gu-r*, *-gu-t* not used as conjunctive words **86**
18.2.1.1 Note **87**
18.2.2 Adverbs with converbal suffixes used as conjunctive words **87**

CHAPTER 19
Ideophones (imitative words) **89**

CHAPTER 20
Analytical and grammaticalized verbal constructions with auxiliary and semi-auxiliary words. Compound verbs **93**
20.1 Analytical constructions with the notional verb used as a converb in *-r*, *-t* **93**
20.1.1 The continuative **93**
20.1.2 The usitative **94**
20.1.3 Forms like *pʻrə-ra ha-ḍ, pʻrə-ta ha-ḍ* **95**
20.2 Constructions with notional verbs with the suffix *-roχ*/*-toχ*/*-doχ* **96**
20.2.1 The verb *qʻau-* ‘not be’, ‘be absent’ **96**
20.2.2 The verb *hum-* ‘be smwh’, ‘be present’, ‘live’ **97**
20.2.3 The verb *təŋz-* ‘be getting ready’, ‘get ready’ **98**
20.2.4 The verb *pəxʈ-* ‘avoid’, ‘take precautions against sth’ **98**
20.2.5 The verb *ojvu-* ‘do sth often’ **98**
20.2.6 Ideophones *tʻəř* and *hurʒ* denoting the beginning of movement **99**
20.3 Compound words with negative verbs and bound stems **99**
20.4 Compound verbs with the first component as a pure stem **100**
20.5 Formations with the first component marked with *-ḍ*/*-ʈ* **101**
20.6 Formations with a desiderative converb in *-inə-r*/*-jnə-r*/*-ijnə-r*, *-inə-t*/*-jnə-t*/*-ijnə-t* as the first component **102**
20.7 Formations with the first component marked with *-ḍ*/*-ʈ* or *-f* and used with a particle **103**
20.7.1 The type with the intensifying particles *-erq* and *-ār* and the verb *ur-* ‘be good’ **103**

20.7.2 The type with the particle *-park/-vark/-bark* 'only' and the (optional) auxiliary verb *ha-*'be so' **103**
20.7.3 The type with the particle *-park/-vark/-bark* 'only' and the verb *j-ijm-/-hijm-* 'know' **103**
20.8 Serial verbs. Constructions with a converb in *-r, -t* as the first component **104**

CHAPTER 21
The main classes of verbal grammatical morphemes **107**
21.1 Grammatical morphemes pre-posed to the verb stem. Reciprocals. Reflexives **107**
21.1.1 Reciprocals **107**
21.1.2 Reflexives **108**
21.2 Grammatical morphemes post-posed to the verb stem. Three main positional groups **109**
21.2.1 Group *A* **109**
21.2.2 Group *B* **109**
21.2.3 Group *C* **109**

CHAPTER 22
Group A. Verbal suffixes taking the same position in the morphological verb structure as the finite suffix *-ḍ/-ṭ* **111**
22.1 The suffix *-ḍ/-ṭ* **112**
22.2 The suffix *-qan(a)/-ʁan(a)/-χan(a)* **112**
22.3 The suffix *-ra* **113**
22.3.1 Note on the homonymy of the suffix *-ra* **113**
22.4 The zero suffix **114**
22.5 The suffix *-ɣitli/-kitli/-ɣitle/-kitle* **115**
22.6 The suffix *-bar(a)/-par(a)* **115**
22.7 The suffix *-qar/-ʁar* **115**
22.8 The suffix *-lo/-l* **116**
22.9 The suffix *-di* **116**
22.10 The suffix *-ilu/-jlu* **116**
22.11 The suffix *-rla, -tla* **116**
22.12 The suffix *-nəxta* **117**
22.13 The suffix *-da/-ta* **117**
22.14 The suffix *-nəte* **117**
22.15 The suffix *-ja* **117**
22.16 The suffix *-ve/-pe/-be* **118**
22.17 The suffix *-qazo/-ʁazo/-χazo* **118**
22.18 The suffix *-(ə)jra* **118**

22.19 The suffix ***-itla/-jtla*** **118**
22.20 The suffix ***-qa(j)/-ʁa(j)/-χa(j)*** **119**

CHAPTER 23
Group B. Verbal suffixes, particles and auxiliary words post-posed to the finite suffix *-ḍ/-ṭ* **121**
23.1 The particle ***-ra/-ta/-da*** **122**
23.2 The suffix ***-ñi*** **123**
23.3 The suffix ***-rej/-dej*** **123**
23.4 The suffix ***-ā/-a/-aj/-āj*** **123**
23.5 The particle ***-la*** **124**
23.6 The particle ***-ŋa*** **124**
23.7 The particle ***-hata*** **124**
23.8 The particle ***-lu*** **125**
23.9 The particle ***-for(a)*** **125**
23.10 The particle ***-hari*** **126**
23.11 The particle ***-furu/-pʻuru/-vuru*** **127**
23.12 The particle ***-uvr/-avr/-əvr*** **127**
23.13 Auxiliary words ***hajra, hanəḍ, hajqan, jaɣalo*** **128**
23.14 Auxiliary words **128**

CHAPTER 24
Group C. Verbal suffixes pre-posed to Group A suffixes **131**
24.1 The suffix ***-nə-*** **132**
24.2 The suffix ***Ø*** of the non-future tense **132**
24.3 The suffix ***-u-*** **132**
24.4 The suffix ***-ku-/-ɣu-/-gu-/-xu-*** **133**
24.5 The suffix ***-r-*** **134**
24.6 The suffix ***-kəta-/-ɣəta-/-gəta-/-xəta-*** **134**
24.7 The suffix ***-inə-/-jnə-/-ijnə-*** **135**
24.8 The suffix ***-kət-/-ɣət-/-gət-/-xət-*** **135**
24.9 The suffix ***-ivu-/-jvu-*** **137**
24.10 The suffix ***-ř a-, -tʻa-*** **138**
24.11 The suffix ***-su-/-ksu-/-ɣsu-/-jsu-/-ijsu-*** **138**
24.12 The suffix ***-xə-*** **139**
24.13 The suffix ***-jo-*** **139**
24.14 The suffix ***-la-*** **140**
24.15 The suffix ***-kar-*** **140**
24.16 The suffix ***-bəñevo-*** **141**
24.17 Positional characteristics of the suffixes **141**

CHAPTER 25
Syntactic (valency) classes of verbs **143**
25.1 Verbs which do not form a complex with an object (intransitives) **143**
25.1.1 Zero-valency verbs **143**
25.1.2 One-place verbs **144**
25.1.2.1 One-place verbs without a plural subject **144**
25.1.2.2 One-place verbs with a plural subject **145**
25.1.3 Two-place verbs **146**
25.1.3.1 Verbs taking the second actant in one of the spatial cases **146**
25.1.3.2 Verbs taking the second actant in the dative/additive case **146**
25.1.3.3 Verbs taking the second actant in the instrumental case **147**
25.1.3.4 Verbs taking the second actant in the nominative case **147**
25.1.3.5 Verbs taking the second actant in the dative/accusative case. **147**
25.1.4 Three-place verbs **148**
25.1.4.1 Verbs taking an object in the instrumental case and an object in the dative/additive case **148**
25.1.4.2 Verbs taking an object in the dative/accusative case and an object in one of the oblique cases **148**
25.1.5 Four-place verbs **148**
25.2 Verbs which form a complex with an object (transitives) **149**
25.2.1 Two-place verbs **149**
25.2.2 Three-place verbs **149**
25.2.2.1 Verbs taking two objects in the nominative case **149**
25.2.2.2 Verbs taking an object in the nominative case and an object in the dative/additive case **150**
25.2.2.3 Verbs taking an object in the nominative case and an object in the instrumental case **150**
25.2.2.4 Verbs taking an object in the dative/accusative case and an object in the nominative case **151**
25.2.3 Four-place verbs **151**
25.2.3.1 Verbs taking three objects: nominative, locative/ablative and instrumental **151**
25.2.3.2 Causative verbs taking three objects: dative/accusative, nominative and oblique **151**
25.2.4 Five-place verbs **152**

CHAPTER 26
Semantic classes of verbs 153
26.1 Momentatives and non-momentatives 153
26.2 Neutral verbs 156
26.3 "Resultative"-terminative verbs 157
26.4 Qualitative verbs 157

CHAPTER 27
Sentence word order 159
27.1 Position of a direct object 162
27.1.1 A direct object is in contact pre-position to the predicate and forms a complex with it 162
27.1.2 A direct object is in contact pre-position to the predicate but does not form a complex with it 163
27.1.3 A direct object is in non-contact pre-position to the predicate 164
27.1.3.1 An oblique object between a direct object and predicate 164
27.1.3.2 An adverbial modifier between a direct object and predicate 166
27.1.3.3 The subject between a direct object and predicate 169
27.1.3.4 A direct object follows the predicate 169
27.2 Subject position 170
27.2.1 The subject is in sentence-initial position 170
27.2.2 The subject is preceded by an object, direct or oblique 171
27.2.3 The subject is preceded by an adverbial 172
27.2.4 The subject is preceded by the predicate 174
27.3 Predicate position 175

CHAPTER 28
Means of introducing direct speech 179
28.1 The introductory verb denotes speech 179
28.1.1 Positional characteristics of the introductory verbs 179
28.1.2 The auxiliary word ***ha-r***, ***ha-t*** 181
28.1.3 The converb in ***-r***, ***-t*** as an introductory verb 182
28.1.4 The introductory verb is implied in the preceding context 182
28.2 The introductory verb is not a speech verb 183
28.2.1 The introductory verb immediately pre-posed to direct speech is semantically close to the first verb of direct speech 183
28.2.2 The introductory verb denotes emotion 183

28.2.3 The introductory verb pre-posed to direct speech is not semantically related to its content **183**
28.2.3.1 The introductory verb is a converb in *-r*, *-t* **184**

CHAPTER 29
Means of expressing indirect speech **185**
29.1 Type A constructions (converbs in *-vu-r*, *-vu-t*) **187**
29.1.1 The category of tense **188**
29.1.2 Different-subject and same-subject constructions **188**
29.1.3 The use of constructions with the 3rd, 2nd and 1st person subjects **189**
29.1.4 The marking of the subject of the embedded verb **189**
29.1.5 The difference from imperceptive forms in *-furu*/*-pʻuru*/*-vuru* **191**
29.2 Types B and C constructions (with the auxiliaries *ha-vu-r*, *ha-vu-t* and *ha-gu-r*, *ha-gu-t*) **192**
29.2.1 Lexical types of the finite predicate **193**
29.2.2 The reflexive direct object in the embedded clause **193**
29.2.3 Omission of the embedded verb **194**
29.3 Type D constructions (with the auxiliary word *ha-r*, *ha-t*) **195**
29.4 Type E constructions (with a converb in *-inə-r*/*-jnə-r*/*-ijnə-r*, *- inə-t*/*-jnə-t*/*-ijnə-t*) **195**
29.4.1 Constructions with a desiderative converb **196**
29.4.2 Constructions with negative converbs **196**
29.4.3 Polysemy of constructions **197**
29.5 Note **198**

CHAPTER 30
The imperceptive marker – particle *-furu*/*-pʻuru*/*-vuru* **199**
30.1 The use of the particle *-furu*/*-pʻuru*/*-vuru* with verbs **199**
30.2 Combinations of the particle *-furu*/*-pʻuru*/*-vuru* with nouns and adverbs **200**
30.3 Combination *ha-ḍ-furu* **200**
30.4 The form *ha-vuru* **201**

CHAPTER 31
Two-predicate constructions **203**
31.1 Two-predicate constructions with a dependent deverbal noun in *-ḍ*/*-ṭ* **203**
31.1.1 Same-subject two-predicate constructions **204**
31.1.1.1 Transitive and intransitive verbs taking a dependent predicate **204**

31.1.1.2 The category of tense of the dependent predicate 205
31.1.1.3 The desiderative suffix on the dependent predicate 208
31.1.1.4 Intensifying particles with the dependent predicate 209
31.1.1.5 Indirect question 209
31.1.1.6 The use of the main verbs without dependent predicates 210
31.1.1.7 "Polyfunctionality" of some verbs occurring in same-subject constructions 210
31.1.1.8 Expressive use 211
31.1.2 Different-subject two-predicate constructions 211
31.1.2.1 Transitive main verbs; their semantic characteristics 212
31.1.2.2 The category of tense of the dependent predicate 213
31.1.2.3 Intensifying particles with the dependent predicate 215
31.1.2.4 Intransitive main verbs 215
31.1.2.5 Indirect question 216
31.1.2.6 Same-subject constructions 217
31.1.2.7 Overlapping with the lexical types of the main verbs of other constructions 218
31.2 Two-predicate different-subject constructions with a converb in *-gu-r, -gu-t* 221
31.2.1 Two-predicate different-subject constructions 222
31.2.1.1 Constructions with a transitive main verb 222
31.2.1.2 Constructions with an intransitive main verb 226
31.2.1.3 Constructions with a converb in *-yəta-gu-r, -yəta-gu-t* 226
31.2.1.4 The main verb in the position of a converb 227
31.2.2 Two-predicate different-subject constructions with the meaning of simultaneity 228
31.2.3 Two-predicate different-subject constructions with the meaning of cause 228
31.2.4 Homonymy with converbs in *-r, -t* of causative verbs in *-ku-/-yu-/-gu-/-xu-* 230
31.2.5 Two-predicate constructions with a converb in *-gu-tot, -gu-ror* 231

CHAPTER 32
Causative constructions formed by verbs with the suffix *-ku/-yu-/-gu-/-xu-* 233
32.1 Basic characteristics of causative constructions 233
32.1.1 Actualization of factitive and permissive causation 233
32.1.2 Causative constructions as a means of expressing indirect order 236
32.1.3 Restrictions on finite and other suffixes 237
32.1.4 Effective and non-effective causation 238
32.1.5 Intensifying particles on causative verbs 239

32.1.6 Negative forms of causatives 239
32.1.7 Causatives in constructions with homogeneous constituents 240
32.2 Functions of converbal modifiers in sentences with a causative verb 241
32.2.1 The converb actualizes the mode of causation 242
32.2.1.1 The subject-causee controls his/her action and performs it deliberately 243
32.2.1.2 The subject-causee does not control his/her action and performs it spontaneously 246
32.2.1.3 Causation of an event is anticipation-dependent 248
32.2.2 The converb does not actualize the means of causation 249
32.3 Causative constructions with a causative verb in converbal form 249
32.3.1 Causative verbs used as converbs in *-gu-jnə-r*, *-gu-jnə-t* and *-gu-j-ger-r*, *-gu-j-ger-r* 249
32.3.1.1 Subordination of causatives to speech verbs and other verbs denoting means of causation 250
32.3.1.2 The purposive meaning of converbal forms of causatives 252
32.3.2 Causative verbs in the form of converbs in *-gu-ror*, *-gu-tot* 252
32.3.3 Causative verbs in the form of converbs in *-r*, *-t* 253
32.3.4 Reflexive causative constructions 255

CHAPTER 33
Relative clauses 259
33.1 Subject and non-subject relative clauses 259
33.2 Retention of verbal suffixes in relative clauses 260
33.3 A relative clause embedded in a non-verbal sentence 260
33.4 Homonymy of free and bound variants of transitives 261
33.5 Direct object relative clauses 263
33.6 Subject relative clauses 264
33.6.1 Ambiguity of the reflexive pronoun *pʻ-* as a direct object within a relative clause 266
33.7 Types of non-subject relative clauses 267
33.8 Direct object relative clauses with the head word corresponding to the base contact direct object 268
33.8.1 A free variant of the verb is used in a relative clause 268
