Preface and acknowledgments

The collection of chapters included in this volume goes back to a selection of contributions to the workshop entitled *Towards a Typology of Olfactory Expressions* convened and organized by the volume editors, Łukasz Jędrzejowski and Przemysław Staniewski, at the 49th Annual Meeting of the Societas Linguistica Europaea at Naples, 31 August – 3 September, 2016.

We thank the organizers of the SLE conference and administration of both conference and workshop, in particular Michela Cennamo, Bert Cornillie, and Ana Díaz-Negrillo.

Additionally, we would like to thank all internal and external reviewers who were willing to review chapters collected in this volume. In particular, we are indebted to (in alphabetical order): Odelia Ahdout, Anna Bondaruk, Denis Creissels, Katarzyna Dziwirek, Chiara Fedriani, Beatriz Fernández, Joana Garmendia Mujika, Donna B. Gerds, Björn Hansen, Birgit Hellwig, George Hewitt, Gianina Iordăchioaia, Itamar Kastner, Paul Jen-kuei Li, Carsten Levisen, Zohar Livnat, Piera Molinelli, Heiko Narrog, Alexandru Nicolae, Teresa Oliveira, Carolyn O'Meara, Seongha Rhee, Violeta Vázquez Rojas Maldonado, Marcin Trojszczak, Dorinda Tsai-hsiu Liu, Kevin Tuite, Kilu von Prince, Bodo Winter, and Karolina Zuchewicz. Our thanks go also to the editorial board of the series *Typological Studies in Language* and to Kees Vaes for their constructive and meticulous suggestions.

Finally, we are grateful to all the authors for taking time and putting effort into contribution to this collection. Without their patience and forbearance with our many questions, the completion of this work would not have been possible.
