English in the Indian Diaspora

Varieties of English Around the World (VEAW)

A companion monograph series devoted to sociolinguistic research, surveys and annotated text collections. The VEAW series is divided into two parts: a text series contains carefully selected specimens of Englishes documenting the coexistence of regional, social, stylistic and diachronic varieties in a particular region; and a general series which contains outstanding studies in the field, collections of papers devoted to one region or written by one scholar, bibliographies and other reference works.

For an overview of all books published in this series, please see
