## English in Nordic Universities

# *Studies in World Language Problems*

*Studies in World Language Problems* (WLP) focuses on political, sociological, and economic aspects of language and language use. It is especially concerned with relationships between and among language communities, particularly in international contexts, and in the adaptation, manipulation, and standardization of language for international use. It aims to publish monographs and edited volumes that deal with language policy, language management, and language use in international organizations, multinational enterprises, etc., and theoretical studies on global communication, language interaction, and language conflict.

Published in cooperation with the Centre for Research and Documentation on World Language Problems.
