YALE AGRARIAN STUDIES SERIES James C. Scott, series editor The Agrarian Studies Series at Yale University Press seeks to publish outstanding and original interdisciplinary work on agriculture and rural society—for any period, in any location. Works of daring that question existing paradigms and fill abstract categories with the lived-experience of rural people are especially encouraged.

—JAMES C. SCOTT, Series Editor

James C. Scott, Seeing Like a State: How Certain Schemes to Improve the Human Condition Have Failed

Brian Donahue, The Great Meadow: Farmers and the Land in Colonial Concord

Michael Goldman, Imperial Nature: The World Bank and Struggles for Social Justice in the Age of Globalization
