Robert Morris's Philadelphia

Philadelphia as it appeared at the turn of the nineteenth century; the city's eastern border—the Delaware River—is visible at right. (Detail of image from John Hills and John Cooke, *This Plan of the City of Philadelphia and it's [sic] Environs*... [Philadelphia: John Hills, 1797; London: John and Josiah Boydell, 1798]. Courtesy of the Library of Congress, Geography and Map Division. Customization by Bill Nelson.)

Robert Morris's Folly
