

“WHEN YOU WERE GENTILES”

SYNKRISIS: COMPARATIVE APPROACHES TO EARLY CHRISTIANITY IN GRECO-ROMAN CULTURE

Series Editors

Dale B. Martin (Yale University) and L. L. Welborn (Fordham University)

Synkrisis is a project that invites scholars of early Christianity and the Greco-Roman world to collaborate toward the goal of rigorous comparison. Each volume in the series provides immersion in an aspect of Greco-Roman culture, so as to make possible a comparison of the controlling logics that emerge from the discourses of Greco-Roman and early Christian writers. In contrast to older “history of religions” approaches, which looked for similarities between religions in order to posit relations of influence and dependency, Synkrisis embraces a fuller conception of the complexities of culture, viewing Greco-Roman religions and early Christianity as members of a comparative class. The differential comparisons promoted by Synkrisis may serve to refine and correct the theoretical and historical models employed by scholars who seek to understand and interpret the Greco-Roman world. With its allusion to the rhetorical exercises of the Greco-Roman world, the series title recognizes that the comparative enterprise is a construction of the scholar’s mind and serves the scholar’s theoretical interests.
