## THE MANY CAPTIVITIES OF ESTHER WHEELWRIGHT

## THE LEWIS WALPOLE SERIES IN EIGHTEENTH-CENTURY CULTURE AND HISTORY

The Lewis Walpole Series, published by Yale University
Press with the aid of the Annie Burr Lewis Fund, is dedicated
to the culture and history of the long eighteenth century
(from the Glorious Revolution to the accession of Queen
Victoria). It welcomes work in a variety of fields, including
literature and history, the visual arts, political philosophy,
music, legal history, and the history of science. In addition to
original scholarly work, the series publishes new editions
and translations of writing from the period, as well as reprints
of major books that are currently unavailable. Though the
majority of books in the series will probably concentrate on
Great Britain and the Continent, the range of our
geographical interests is as wide as Horace Walpole's.
