Apocalypse as Holy War

THE ANCHOR YALE BIBLE REFERENCE LIBRARY is a project of international and interfaith scope in which Protestant, Catholic, and Jewish scholars from many countries contribute individual volumes. The project is not sponsored by any ecclesiastical organization and is not intended to reflect any particular theological doctrine.

The series is committed to producing volumes in the tradition established half a century ago by the founders of the Anchor Bible, William Foxwell Albright and David Noel Freedman. It aims to present the best contemporary scholarship in a way that is accessible not only to scholars but also to the educated nonspecialist. It is committed to work of sound philological and historical scholarship, supplemented by insight from modern methods, such as sociological and literary criticism.
