

PRAISE FROM THOSE WHO WERE THERE IN 1991

“Don and I loved all of our players and all of our teams—but the 1991 Huskies were special. Don would be honored by Mike’s careful research and bringing that epic, inspirational season back in such a thrilling way.”

—CAROL JAMES

“Legends, it is said, grow larger with the telling. And so it is with Mike Gastineau’s joyous telling of the 1991 University of Washington football season. For some, this will be a magical trip down memory lane. For others, an explanation of what thirty years’ worth of shouting has been all about. Gastineau skillfully lets those most intimately involved with that season recall and revisit it. He has created not only a loving tribute, but also a detailed portrait of a champion and the very best of times in Husky football history.”

—BOB RONDEAU, THIRTY-SEVEN-YEAR VOICE OF HUSKIES FOOTBALL

“I’m so happy Mike has written *Fear No Man* because I’ve tried for years to put how special this team was into words. Playing on the 1991 Huskies was pure joy.”

—CHICO FRALEY, LINEBACKER, '91 HUSKIES

“I woke up on January 1 and realized we had a good team—but because we were isolated in the Pacific Northwest, no one believed in us. Miami this, Desmond Howard that. Yeah, yeah. Wait ’til they see us. The Dawgs would not be stopped. Not on this day. We were there to dominate, and that’s just what we did. This book tells our story.”

—LINCOLN KENNEDY, OFFENSIVE TACKLE, '91 HUSKIES

“I know how much the 1991 team meant to Don James, and this book powerfully tells their incredible story. I disagree with Gastineau about who would have won if the Huskies had played my Hurricanes for the championship. But I agree with him about this: it would have been a game for the ages.”

—DENNIS ERICKSON, COACH OF THE 1991 UNIVERSITY OF MIAMI
HURRICANES

“Mike has proven time and again to be a diligent and gifted storyteller, especially when it comes to sports history in Seattle. He has captured some of the best, most embarrassing, and transcendent moments of our journey to a championship. The story of the 1991 UW team remains unique thirty years later. Husky fans—and fans of inspirational sports stories—will love this book.”

—ED CUNNINGHAM, CENTER, '91 HUSKIES

There are no memories which cling so persistently to the mind of the alumnus, always capable of awakening a glow of enthusiasm and always recalled with pleasure, as those interwoven in the football games of his undergraduate days.
