

Note to the Reader

PEOPLE'S NAMES

All individuals quoted, other than public figures, have read over the passages in which I quote them and have approved of the content as well as the use of their name. The way in which I refer to people (that is, first name, professional title, and so on) reflects the type of relationship I had with them.

TRANSLATIONS

Unless otherwise noted, all translations from French or Tahitian are my own.

PHOTOS

Unless otherwise noted, all photos are my own.
