

ACKNOWLEDGMENTS

The authors would like to thank the Center for Chinese Studies at the University of California, Berkeley, for sponsoring the seminar that first brought the four of us together to discuss the Letter to Ren An. We extend a special thanks to Elinor Levine, who was our hostess for that event. Michael Nylan would like to thank Spencer Smith, then an undergraduate intern in the History Department at Berkeley, who helped her make the initial pie charts for the presentation at UC Berkeley, and Scott McGinnis, a graduate student in the History Department at UC Berkeley, for helping her refine and better understand the statistics underlying the pie charts produced for publication. Hans van Ess thanks Naomi Noble Richard for her excellent editorial work.
