Foreword by Rima Jabado	9
Introduction	11
How to use this book	12
Topography	13
What is a shark?	16
The evolution of fishes	18
Evolution of sharks	20
Biology	22
Body structure	22
Skeleton	24
Movement	31
Respiration and circulation	33
Skin and scales	36
Senses	38
Feeding and digestion	42
Life history	48
Behaviour	54
Genetics	60
Research priorities – how to help	62
Sharks and people	63
Shark legends	63
Fisheries	65
Recreational angling	74
Shark watching	75
Shark encounters	78
Eating sharks	80
Conservation and management	82
Key to orders and families of living sharks	89
Species accounts	94
Order Hexanchiformes: frilled and cow sharks	96
Family Chlamydoselachidae: frilled sharks	96
Family Hexanchidae: cow sharks	98
Order Echinorhiniformes: bramble sharks	102
Family Echinorhinidae: bramble sharks	102
Order Squaliformes: dogfish sharks	105
Family Squalidae: dogfish sharks	114
Family Centrophoridae: gulper sharks	135
Family Etmopteridae: lanternsharks	160
Family Somniosidae: sleeper sharks	192
Family Oxynotidae: roughsharks	204
Family Dalatiidae: kitefin sharks	207

Order	Pristiophoriformes: sawsharks	220
Family	Pristiophoridae: sawsharks	221
Order	Squatiniformes: angelsharks	227
Family	Squatinidae: angelsharks	227
Order	Heterodontiformes: bullhead sharks	247
Family	Heterodontidae: bullhead or horn sharks	247
Order	Orectolobiformes: carpetsharks	258
Family	Parascylliidae: collared carpetsharks	259
Family	Brachaeluridae: blind sharks	265
Family	Orectolobidae: wobbegongs	267
Family	Hemiscylliidae: longtailed carpetsharks	284
Family	Stegostomatidae: Zebra Shark	293
Family	Ginglymostomatidae: nurse sharks	296
Family	Rhincodontidae: Whale Shark	300
Order	Lamniformes: mackerel sharks	301
Family	Mitsukurinidae: Goblin Shark	304
Family	Carchariidae: Sandtiger Shark	305
Family	Odontaspidae: deepsea sandtiger sharks	306
Family	Pseudocarchariidae: Crocodile Shark	307
Family	Megachasmidae: Megamouth Shark	310
Family	Cetorhinidae: Basking Shark	311
Family	Alopiidae: thresher sharks	314
Family	Lamnidae: mackerel sharks	319
Order	Carcharhiniformes: ground sharks	324
Family	Pentanchidae: deepsea catsharks	325
Family	Scyliorhinidae: catsharks	407
Family	Proscylliidae: finback catsharks	447
Family	Pseudotriakidae: false catsharks	453
Family	Leptochariidae: Barbeled Houndshark	456
Family	Triakidae: houndsharks	457
Family	Hemigaleidae: weasel sharks	496
Family	Carcharhinidae: requiem sharks	502
Family	Galeoceridae: Tiger Shark	568
Family	Sphyrnidae: hammerhead sharks	569
Appendices		580
Appendix I	Glossary	580
Appendix II	Oceans and seas	586
Appendix III	Field observations	588
Appendix IV	Fin identification	592
Appendix V	Tooth identification	595
