MYTHISTOREMA

1	The angel . . .	3
2	Still one more well inside a cave . . .	4
3	I woke with this marble head in my hands . . .	5
4	And a soul / if it is to know itself . . .	6
5	We didn't know them . . .	8
6	The garden with its fountains in the rain . . .	9
7	Westward the sea merges with a mountain range . . .	10
8	What are they after, our souls, travelling . . .	12
9	The harbour is old, I can't wait any longer . . .	13
10	Our country is closed in, all mountains . . .	14
11	Sometimes your blood froze like the moon . . .	15
12	Three rocks, a few burnt pines, a lone chapel . . .	16
13	Dolphins banners and the sound of cannons . . .	17
14	Three red pigeons in the light . . .	18
15	Sleep wrapped you in green leaves like a tree . . .	19
16	On the track, once more on the track . . .	20
17	Now that you are leaving . . .	21
18	I regret having let a broad river slip . . .	22
19	Even if the wind blows it doesn't cool us . . .	23
20	In my breast the wound opens again . . .	24
21	We who set out on this pilgrimage . . .	25
22	So very much having passed before our eyes . . .	26
23	A little farther . . .	27
24	Here end the works of the sea, the works of love . . .	28
