I would like to thank Taylor & Francis (Studies in French Cinema) and Éditions Classiques Garnier for granting me permission to use material published in their journal/collection.

Many thanks to VVK and Nicholas (technical support), and VVK and Anna (for watching or re-watching many Chabrol films with me). And merci to Bertrand for last-minute technical help.

This book is dedicated to my whole family.

Je n'ai aucune zone d'ombre. Je suis absolument transparent. Opaque à force d'être transparent.
