

Acknowledgments

The editors are grateful to the Citadel Development Foundation for research funding and to The Citadel for student assistance in the preparation of this volume. Thanks especially to Vice-President George F. Meenaghan for his continued support of Mark Twain and other research at The Citadel. We appreciate, as well, access to relevant materials at The Citadel's Daniel Library, the College of Charleston's Robert Scott Small Library, Duke University's Perkins Library, the University of North Carolina's Walter Royal Davis Library, and North Carolina State University's D. H. Hill Library.

We are indebted to Louis J. Budd, Christine E. Wharton, Liz Traynor, and Mindy Conner for insightful readings of the manuscript at various stages and to Steven Mailloux for helpful suggestions. And thanks to student assistants Mark Little and James Clabby for their valuable help in typing, proofreading, and other tedious but necessary components of the process.
