Publication of this book was made possible
by a generous grant from the Tendai School's
Office of General Affairs

The Kuroda Institute for the Study of Buddhism
and Human Values is a nonprofit, educational corporation
founded in 1976. One of its primary objectives is to promote
scholarship on the historical, philosophical, and cultural ramifications
of Buddhism. In association with the University of Hawai'i Press, the Institute
also publishes Classics in East Asian Buddhism, a series devoted to the
translation of significant texts in the East Asian Buddhist tradition.

Frontis map: This map is based on a typical modern tourist map of Mount
Hiei; no maps survive that reflect Mount Hiei during Ryōgen's tenure.

University of Hawai'i Press books are printed on acid-free paper and meet the
guidelines for permanence and durability of the Council on Library Resources.
