

Acknowledgments

We thank all the contributors for their collaboration on this book. A special thanks goes to Dean Sverre Liestøl, Lindsey Stokes, and Ramona Bäuml for supporting the editorial process.

We would like to dedicate this book to the memory of Stuart Hilwig, a wonderful scholar, colleague, and dear friend, from whose knowledge and expertise we all benefited enormously. He will be greatly missed.

Kathrin Fahlenbrach, Erling Sivertsen, and Rolf Werenskjold
