

ACKNOWLEDGMENTS

Many people contributed to this book. The contributing authors brought experience, insight, and passion to this topic. This book is also the product of a research project at the School of Environmental Design and Rural Development, University of Guelph. Numerous individuals contributed to this project and have influenced the book in one way or another. They include: Jennifer Ball, Erica Ferguson, Paul Kraehling, Émanuèle Lapierre-Fortin, Amy Lejcar, Eric Marr, Shannon McIntyre, Adam Wright, Colin Dring, and Jennifer Sisson. Funding for this project was provided by the Ontario Ministry of Agriculture, Food and Rural Affairs. Monika Rau at the University of Guelph helped with many details as this book progressed and staff at the University of Manitoba Press, including Jill McConkey and Glenn Bergen, and copyeditor Dallas Harrison, were most helpful.
