– Cinnamon-chested Bee-eater, Streaky Seedeater and African Stonechat .....	184

## BIRDS OF THE AIR

<b>Black swallows and dark martins</b>	
– Black and White-headed Saw-wings and Plain and Banded Martins .....	186
<b>Swallows with red rumps</b>	
– Mosque, Red-rumped, Rufous-chested and Lesser Striped Swallows .....	188
<b>Swallows with dark rumps</b> – Wire-tailed, Angola and Barn Swallows .....	190
<b>Swifts</b> – Little, White-rumped, African Palm, Nyanza and Common Swifts .....	192
<b>Bee-eaters</b> – Eurasian, Blue-cheeked and White-throated Bee-eaters .....	194

## NIGHT BIRDS

<b>Owls</b> – Pearl-spotted Owlet, Verreaux's Eagle Owl and African Scops Owl .....	196
<b>Barn Owl and nightjars</b> – Barn Owl and Square-tailed / Gabon and Slender-tailed Nightjars .....	198

## LAKE VICTORIA SPECIALS

<b>Birds of the lakeside</b>	
– Blue-headed Coucal, Swamp Flycatcher and Black-headed Gonolek .....	200
<b>Sunbird and weavers</b> – Red-chested Sunbird and Grosbeak and Slender-billed Weavers .....	202
<b>Lakeside weavers</b> – Northern Brown-throated, Golden-backed and Yellow-backed Weavers .....	204
<b>Terns and gull</b> – Whiskered and White-winged Black Terns and Grey-headed Gull .....	206
<b>Cormorants and small plovers</b>	
– Reed and Great Cormorants and White-fronted and Common Ringed Plovers .....	208

<b>Further reading and useful resources</b> .....	210
<b>Acknowledgements</b> .....	211
<b>Photographic credits</b> .....	212
<b>Scientific names of the bird species included in this book</b> .....	213
<b>Index</b> .....	217
<b>Short Index</b> .....	inside back cover

A view over the  
Ngorongoro Crater.  
The forest here supports  
many wonderful birds.
