

ARMENIANS BEYOND  
DIASPORA

## **Alternative Histories: Narratives from the Middle East and Mediterranean**

### **Series Editor: Sargon Donabed**

This series provides a forum for exchange on a myriad of alternative histories of marginalised communities and individuals in the Near and Middle East and Mediterranean, and those of Middle Eastern or Mediterranean heritage. It also highlights thematic issues relating to various native peoples and their narratives and – with particular contemporary relevance – explores encounters with the notion of ‘other’ within societies. Often moving beyond the conventional state-centred and dominant monolithic approach, or reinterpreting previously accepted stories, books in the series examine and explain themes from inter-communal relations, environment, health and society, and explore ethnic, communal, racial, linguistic and religious developments, in addition to geopolitics.
