

## ACKNOWLEDGEMENTS

---

Our first thanks must go to our editor, Jackie Jones. Without her insight and enthusiasm this volume would not have been possible. We are deeply grateful to James Dale for his remarkable efforts to secure reprint permissions and his patient care in overseeing the latter stages of the manuscript's production. Carol Macdonald of Edinburgh University Press provided much needed logistical advice and assistance.

We are indebted to Bryan Cheyette, Geoffrey Hartman, and Dominick LaCapra for their valuable feedback and support, and also wish to express our gratitude to our able research assistants Ausra Paulauskiene and Kate Scherler, as well as to the participants in the Jewish Studies Workshop at the University of Illinois, who helped bring final shape to the collection, and to Jennifer Uleman, for her sensitive reading of the general introduction. Work on this book was facilitated by support from the University of Illinois Research Board and a Drew University summer research grant. Ryan Saylor and Dan Tracy compiled the index.

As always, Beth Drenning and Yasemin Yildiz offered illuminating advice, detailed commentary, general moral support, and much more.
