## CONTENTS

### PREFACE ix

### INTRODUCTION

#### **The Incurability of Fantasy**

1

*On the ends of cure, the persistence of tubercular fantasies, and the stakes of the imagination.*

---

### ONE

#### **To Cure an Earthquake** 23

*On the opening of sanatoria in India, the openness of bodies to the world, the dangers of the city, the problem with enclosed spaces, disease as cure, and the therapeutic power of nature.*

### TWO

#### **Cure Is Elsewhere** 77

*On the location of cure in places remote, the movement of cure and cure as movement, and the peculiar curative logic that sends soldiers and coolies and schoolteachers across the oceans in seemingly every direction.*

### THREE

#### **From Ash to Antibiotic** 121

*On the logic of curative inquiry, the development of the randomized controlled trial, the demise of the sanatorium, the rise of antibiotics, and the building of utopia.*

---

### EPILOGUE

#### **India after Antibiotics** 249

*On the future of cure, its salvatory promises, and its perils.*

### FOUR

#### **Wax and Wane**

165

*On the conditions required to make a declaration of cure, its oscillations, repetitions, and rhythms, and its ends.*

### FIVE

#### **After the Romance Is Over** 209

*On the distribution and denial of cure, the raiding of the antibiotic commons, the rise of drug resistance, the fading of the antibiotic dream, and the return of the sanatorium.*
