Table of contents

Acknowl	edgements — vii				
Chapter	1. Introduction —— 1				
1.1	English as a lingua franca (ELF) —— 5				
1.2	Overview of the book —— 12				
Chapter	2. Intercultural communication and ELF —— 15				
2.1	Characterising intercultural communication —— 17				
2.2	Critical approaches to intercultural communication —— 21				
2.2.1	Cross-cultural versus intercultural communication —— 21				
2.2.2	Critiques of terminology in intercultural communication —— 24				
2.2.3	Critiques of approaches in intercultural communication —— 25				
2.2.4	Alternative approaches to intercultural communication — 28				
2.3	Points of convergence and conflict between intercultural communication and ELF research —— 33				
2.3.1	Points of misunderstanding and divergence between intercultura communication and ELF research —— 34				
2.3.2	Points of convergence between intercultural communication and				
	ELF research —— 39				
2.4	Conclusion —— 43				
Chapter	3. Understanding culture through ELF —— 45				
3.1	Conceptions of culture —— 47				
3.1.1	The development of the idea of culture —— 47				
3.1.2	Culture as product —— 50				
3.1.3	Culture as discourse —— 54				
3.1.4	Culture as practice —— 56				
3.1.5	Culture as ideology —— 58				
3.2	Culture, nation and globalisation —— 61				
3.2.1	Characterisations of nation —— 61				
3.2.2	Characterisations of globalisation —— 63				
3.2.3	Global flows —— 65				
3.3	Culture and complexity —— 67				
3.3.1	Culture and complexity in the social sciences and applied linguistics —— 71				
3 4	Culture and language — 76				

3.4.1	Linguistic relativity — 76
3.4.2	Linguaculture and the language-culture nexus — 79
3.4.3	Language and culture as emergent complex systems — 85
3.5	Culture in ELF research — 88
3.6	Language and culture through ELF —— 99
3.7	Conclusion — 101
-	Culture and identity through English as a lingua franca —— 105
4.1	Characterising identity —— 108
4.1.1	Subjectivity and identity —— 108
4.1.2	The relevance of identity —— 108
4.1.3	Identity and language —— 110
4.1.4	Identity, difference and others —— 112
4.2	Cultural identity —— 114
4.2.1	Cultural identity, ethnicity and race —— 114
4.2.2	Cultural identity and nationality —— 115
4.2.3	Cultural identity and globalisation —— 118
4.2.4	Cultural identity and interculturality —— 120
4.3	Identity in ELF research —— 122
4.4	Conclusion —— 131
Chapter 5. R	Re-examining intercultural communicative competence: intercultural
Chapter 5. R	Re-examining intercultural communicative competence: intercultural —— 133

E teaching — 6.1	Communicative competence — 134 The foundations of communicative competence — 134 Rethinking communicative competence — 140 Intercultural competence — 145 Intercultural communicative competence — 148 Alternatives to intercultural communicative competence — 156 Intercultural awareness (ICA) — 163 Conclusion — 172 ELF and intercultural awareness: implications for English language — 174 Culture, the intercultural and ELF in ELT: critiquing current approaches — 175 Alternative approaches to culture, the intercultural and ELF in ELT — 182

6.3	Intercultural awareness in the classroom —— 194				
6.4	Conclusion — 200				
Chapter 7. F	Putting it into practice: a study of a course in ELF and ICA for				
language le	arners in Thailand —— 203				
7.1	Background and rationale: English in ASEAN and Thailand — 205				
7.2	Research methodology —— 210				
7.2.1	Participants and setting —— 210				
7.2.2	Research approach and instruments —— 211				
7.2.3	Reliability and validity —— 214				
7.3 A course in Global Englishes, intercultural communicat					
	intercultural awareness —— 215				
7.3.1	Course evaluation —— 218				
7.3.2	Development of ICA and an understanding of Global				
	Englishes — 220				
7.4	Conclusion — 228				
Chapter 8. (Conclusion —— 232				
8.1	What are points of convergence and divergence between ELF and				
	intercultural communication research? —— 234				
8.2	What influence (if anything) do studies of intercultural				
	communication through ELF have on our understanding of the				
	relationship between culture, identity and language? — 236				
8.3	What are the implications of ELF research for conceptualising				
	intercultural communicative competence? — 240				
8.4	What are the consequences (if any) of ELF and intercultural				
	awareness (ICA) research for teaching English (ELT)? — 243				
Appendices	. — 247				
Appendix 1	Transcription conventions —— 247				
	Intercultural communication and intercultural awareness:				
	Course overview and outline —— 247				
Appendix 3	Screen shots from learning objects (LO) in course —— 252				
	Intercultural communication questionnaire additional				
• •	responses — 257
