

ON THE COMPANION FILES

The companion files available for downloading with this book contain:

- A link to the Revit 2025 Trial version, which will last for 30 days starting from the day of installation. This version will help you solve all then-exercises and workshops in this book. The student trial version can be extended beyond the 30-day period.
- Practice files and projects which will be your starting point to solve all exercises and workshops in the book.
- Copy the folder named “Practices and Projects” onto the hard drive of your computer. In the Project folder, you will find two folders; the first is called “Metric” for metric units projects and the second one is called Imperial” for imperial units projects.
- Companion files are available by writing to the publisher at: *info@merclearning.com*.
