

## *Field IV Field Staff*

During the 1992 season, LRP work was co-directed by Paul F. Jacobs of Mississippi State University and Oded Borowski of Emory University. Paul Jacobs directed work in the 1993 season when Borowski was side-lined by a knee injury. Jacobs also directed the work in 1999. Work in Field IV was also supported by the efforts of Research, Technical, and Operations Staff members.
