

## *List of Figures*

Figure 1.1. Map of southern Israel showing the location of Tell Halif .....	3
Figure 2.1. Schematics of typical three- and four-room pillared dwellings in Iron Age II .....	17
Figure 3.1. Hypothesized reconstruction of pillared dwellings in the northern excavation areas of Tell Halif's Field IV .....	49
Figure 3.2. Possible reconstructions for the roof and/or second floor of the pillared dwelling .....	52
Figure 4.1. Aerial view of Tell Halif (left center) looking west .....	86
Figure 4.2. Topographical map of Tell Halif with excavation fields .....	90
Figure 4.3. Field IV aerial view, looking south, with F7 Dwelling in the foreground .....	97
Figure 4.4. Evidence of the intense burning of pillared dwellings in the northeast corner of Area F7 .....	98
Figure 4.5. View of the F7 Dwelling, looking south, with broad rooms to the right and three long rooms (disturbed by pits) to the left .....	99
Figure 4.6. Plan of the F7 Dwelling with the Field IV grid superimposed and identified by excavation areas .....	100
Figure 4.7. Arrowheads removed from Field IV destruction debris .....	107
Figure 4.8. Burned beam and ceramic vessels in debris covering Floor F7006 in Room 5. Wall F7003 visible at top .....	108
Figure 4.9. Isometric reconstruction of F7 Dwelling with ceramics and objects located in their find spots on the floors .....	109
Figure 4.10. East end of Room 3 Area E, showing Floor H7005 with lines of robbed-out Walls H7011 (top) and H7015 (bottom) .....	113
Figure 4.11. Plan showing postdepositional disturbances to the F7 Dwelling .....	114
Figure 5.1. Plan with the identification of features and locus numbers within the F7 Dwelling .....	125
Figure 5.2. Spatial location of Activity Areas A–M within the F7 Dwelling .....	126
Figure 5.3. The F7 Dwelling identified by Rooms (1–5) .....	127
Figure 5.4. 2.2-m probe in NW sector of F7 revealing southern portion of Room 5 .....	129
Figure 5.5. East and West Sections of F7–H7 (Sections 1–2) .....	130
Figure 5.6. Plan of the F7 Dwelling showing the distribution of microartifact samples taken in the four-room dwelling .....	132
Figure 5.7. South Section of F7–F8 and North Section of G6–G8 (Sections 3 and 4) .....	135
Figure 5.8. Photo of G8, Room 2, Activity Area B, looking north .....	136
Figure 5.9. Cultic/ritual items from Area B .....	137

Figure 5.10. Triangular-shaped stone found on Area B Floor (left) .....	138
Figure 5.11. Polished rectangular diorite stone (below) .....	138
Figure 5.12. Isometric reconstruction of Cultic space in Activity Area B of Room 2 .....	140
Figure 5.13. South Section of G6–G8 and North Section of H7–H8 (Sections 5 and 6) .....	145
Figure 4.14. Photo of Polished Grooved stone from Activity Area D in Room 3 ....	146
Figure 5.15. Ground stones from the F7 Dwelling with perforated stone (top left and right) from Room 3 .....	147
Figure 5.16. Lmlk-type jar in Area F placed on three stacked stones (view looking west) .....	149
Figure 5.17. Features on the floors of Rooms 4–5 .....	152
Figure 5.18. Bulla from Activity Area J .....	153
Figure 5.19. Destruction debris with storage jars of the “lmlk” type in Activity Areas M and L of Room 5 .....	155
Figure 5.20. Area L tabun in section (F7015) .....	155
Figure 5.21. Artist’s reconstruction of the F7 Dwelling .....	159
