## **Acknowledgments**

This collection of essays was inspired by an international and interdisciplinary conference, "Tolstoy and Spirituality," held at the College of the Holy Cross in Worcester, Massachusetts on April 21 and 22, 2017. We would like to thank Philip Boroughs, S.J., President of the College, for his continuous support and the opening speech at the conference. Our gratitude also goes to Olga Partan, Professor of Russian in the Department of Modern Languages and Literature, who was selflessly engaged in the preparation and organization of the conference, and to Svyatoslav Gorbunov, for his help with identifying numerous Tolstoy references. The conference was sponsored and hosted by the McFarland Center for Religion, Ethics, and Culture, and special thanks are due to Thomas M. Landy, Director of the Center, for the support of the conference and of the publication of this volume, as well as to Danielle Kane, Associate Director for Communications, and Patricia Hinchliffe, Administrative Assistant of the Center.
